**SOUTH AMERICAN SUBBASIN GROUNDWATER SUSTAINABILITY PLAN - PUBLIC WORKSHOP – July 23, 2020** – The South American Subbasin (SASb) Groundwater Sustainability Plan (GSP) Working Group, on behalf of five Groundwater Sustainability Agencies (GSAs), invites groundwater basin users and interested community members to attend a public workshop to initiate the development of a GSP for the SASb in accordance with the requirements of the Sustainable Groundwater Management Act (SGMA). The SASb is located in Sacramento County between the American and Cosumnes Rivers.

### **Why Groundwater Sustainability Matters?**

Join us and learn about the condition and future health of your groundwater subbasin. Participate in the process to understand what needs to be done to protect the quality and availability of this valuable resource. Learn why maintaining a sustainable groundwater subbasin matters to the economy, environment, and quality of life of our urban and rural communities. We need your input - join us July 23<sup>rd</sup>!

The workshop will provide an opportunity to learn more about the following topics and provide initial input on:

- SGMA and the schedule for GSP development for the SASb
- Opportunities for public engagement in the decision-making process for the GSP
- Introduction to the SASb Groundwater Sustainability Agencies' (GSAs) Working Group
- Sustainability Goals and Sustainable Management Criteria

To indicate your interest and access the agendas and materials for the Public Meeting, please visit [sasbgroundwater.org](http://sasbgroundwater.org). Please note that during the development of the GSP, the GSAs also will hold their regular public Board Meetings, a schedule for which can be viewed at the website.

The GSP Working Group will host a public workshop on:

**Thursday, July 23, 2020 from 6:00 pm to 8:00 pm**

The GSPWG includes representation from five of the GSAs:

- Sacramento Central Groundwater Authority
- Northern Delta GSA
- Omochumne-Hartnell Water District
- Sacramento County
- Sloughhouse Resource Conservation District

Note: Pursuant to the Governor's Executive Order N-29-20, and given the state of emergency regarding the threat of COVID-19, the meeting will be held via teleconference.

We encourage members and participants to join the meeting 10 minutes early. Note that we will use Zoom to share slides and other information during the meeting. Use the link above to join. If you have a microphone that you can use with your computer, it should be possible to both listen to, and participate in, the meeting through Zoom. If you do not have a microphone, or a headset with a microphone that plugs into your computer via USB port, you will need to call into the conference line to listen and comment, although you still should be able to view the meeting materials on Zoom. Please do not simultaneously use a microphone through Zoom and the telephone conference line. That combination results in audio problems for all participants.
